

# Christmas 2021

As 2021 drew to a close, it was great to once again get together with friends...

... and family.

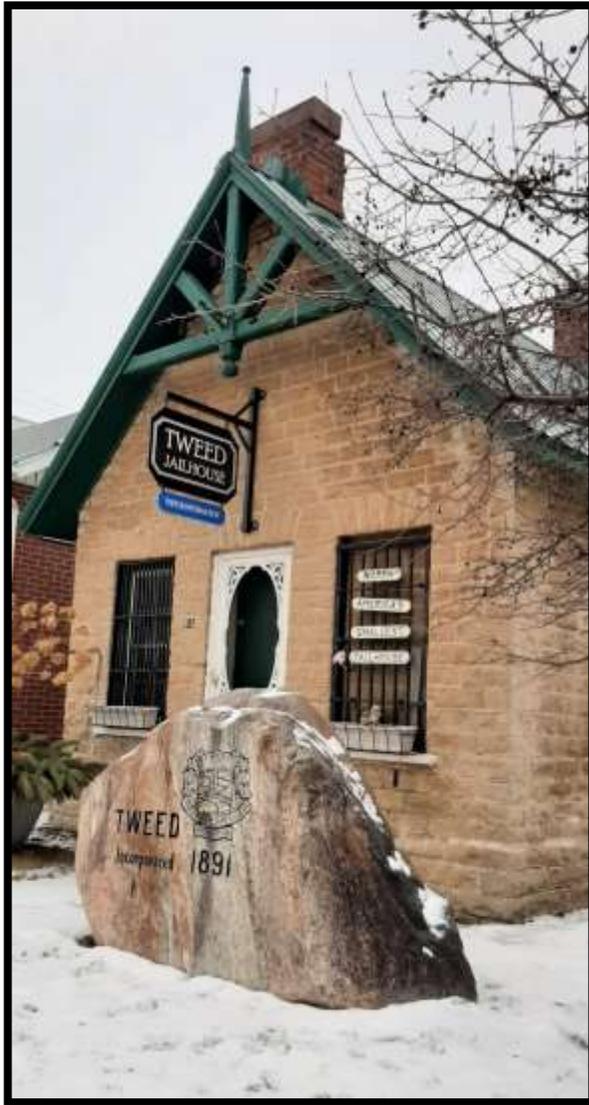

# Winter 2022

It was a beautiful, snowy winter. Above is Mike at the top of the Norwood Esker.

With everyone under lockdown again, we took advantage of the opportunity to do some more exploring, including a day trip to Tweed and the Marmora Mine (also check out the speed skating spill at the Lakefield Oval in the video link above).

# Spring

One of our first spring outings was a fun visit with friends in Ottawa.

In May we enjoyed a weekend in Orillia, helping our friends at the Sunshine Fibre Fest.

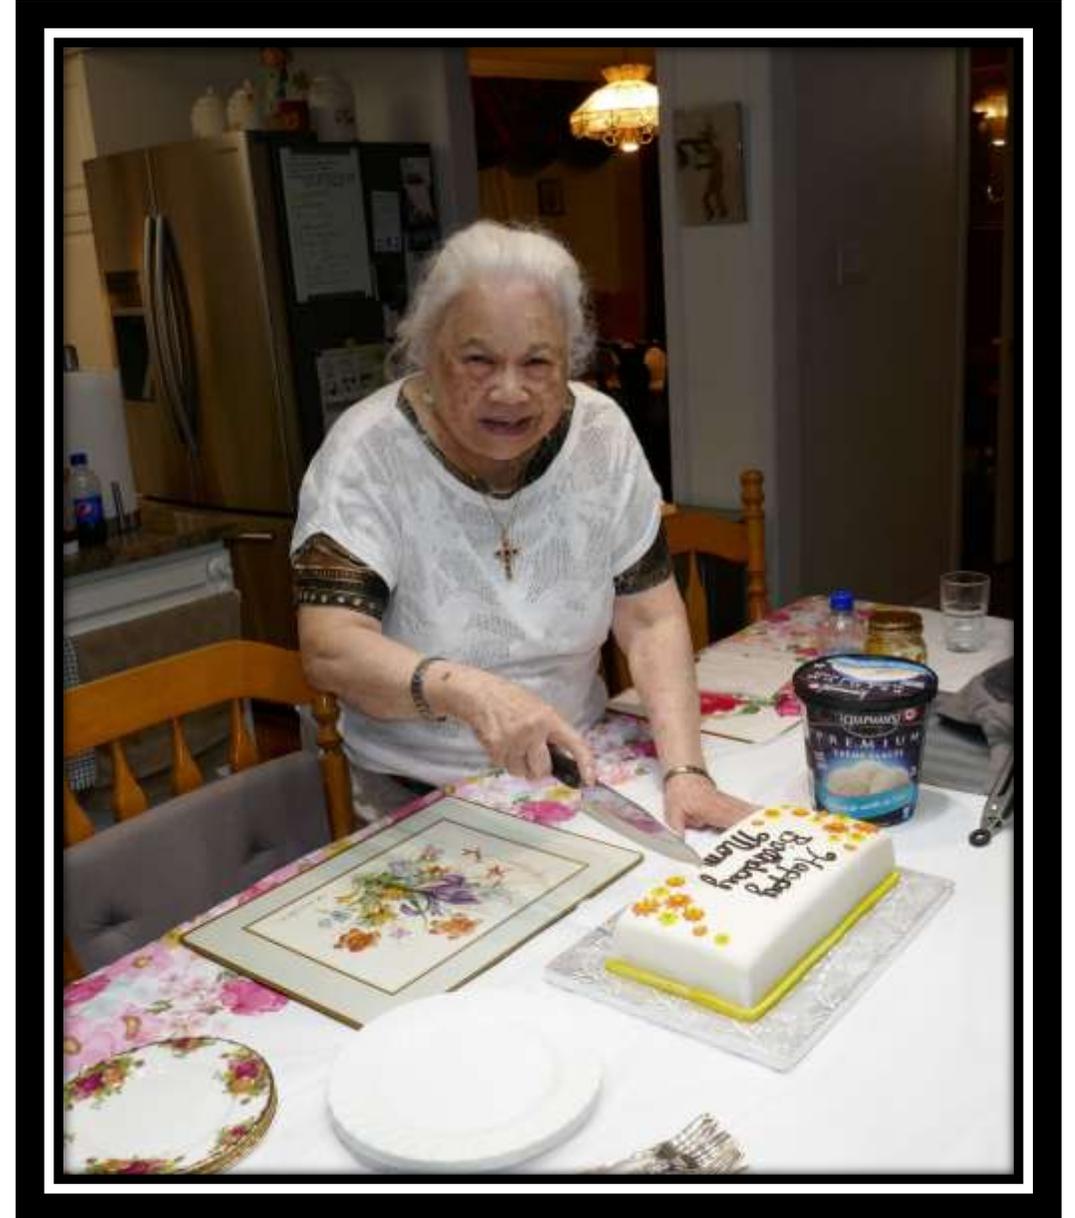

Our first visit to the Warkworth Lilac Festival. Worth going to for the great food...umm...flowers.

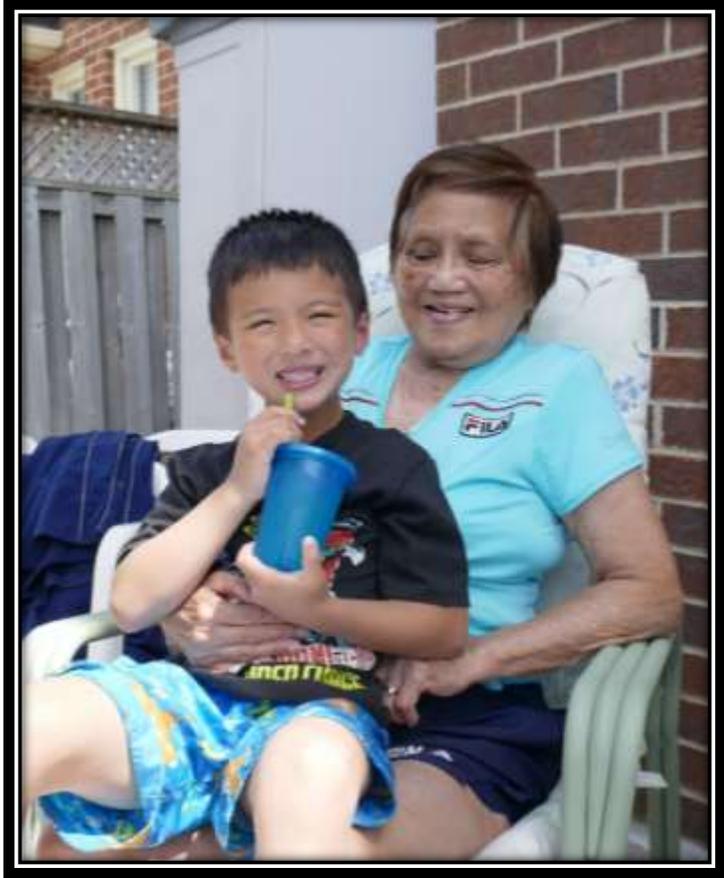

# Family Birthdays

## Derecho Storm

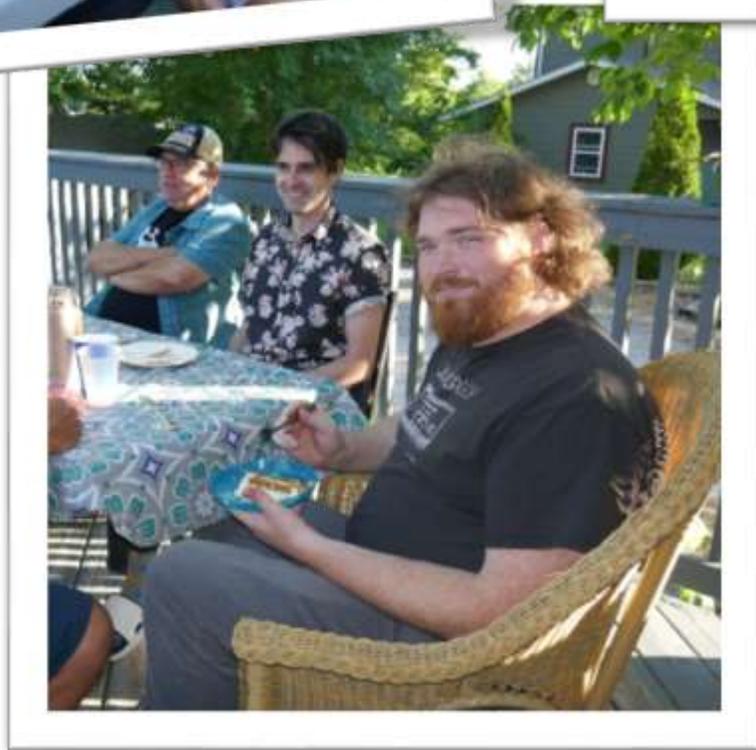

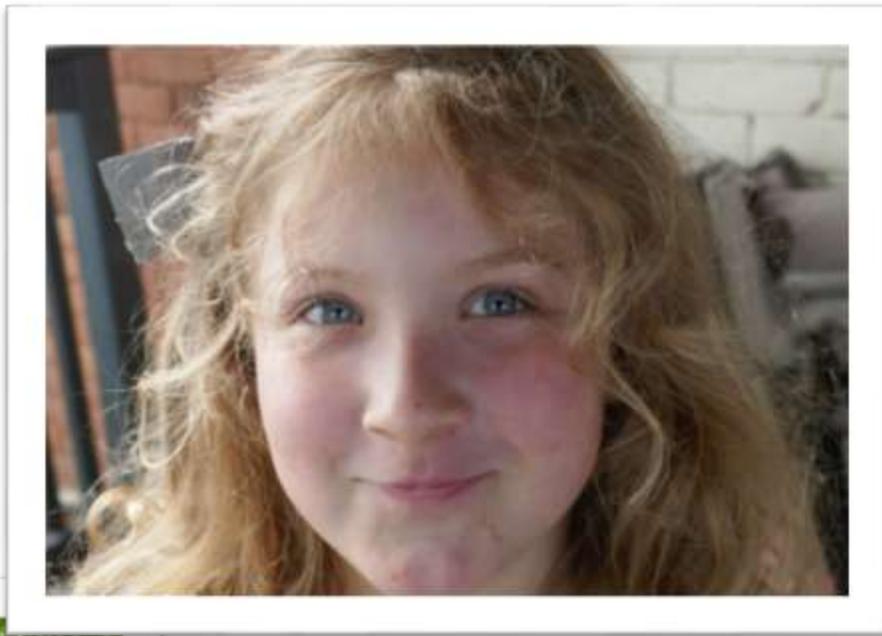

The May 21 derecho storm took out our power for 4 ½ days. Luckily we had very little damage. It was a challenge trying to eat everything that was in the freezer!

# Johnson Family Christmas in July

# Summer

We enjoyed the best strawberries in years...and typically someone was eating while someone was working.

It was fun to see what came up in our back yard wildflower garden.

# Backyard Critters

We're starting to see more wildlife in the yard.

We finally attended our first Norwood Fair!

# Westben Music Centre

Dave Gunning concert at the Westben Campfire in Campbellford – what a beautiful setting, and a great show. Complimentary s'mores too!

Just another day in Asphodel-Norwood Township. We're still loving the country life here!
